

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of why media consolidation is a danger to the democratic process.

Showing of political propaganda just before the presidential election with no recourse for the Democratic Party to respond in kind (e.g. by showing the film "Going Upriver", or even Michael Moore's Fahrenheit 9/11 -- which he has offered to provide to Sinclair for FREE!)

Please take action to deal with this situation.
